

All Graduates INTERPRETING & TRANSLATING

ENHANCING BUSINESS

CREATING BETTER BUSINESS EFFICIENCIES

iPhones may appear to have little in common with face-to-face interpreting however All Graduates Interpreting and Translating Service are harnessing push-email technology to drive greater efficiencies in booking interpreters for its clients.

All Graduates' have been established for more than 20 years. The company has continually sought the most effective methods to meet the needs of its growing list of clients and independent interpreter contractors.

Ismail Akinci, All Graduates' CEO explains that an iPhone allows interpreters to be able to respond to bookings in *real* time. "As soon as we receive the booking details from our clients, we can distribute them to our interpreters by iPhone. This means interpreters have the option to accept more bookings. Accepting bookings by iPhone also provides confirmation to the client quicker."

DO YOU HAVE AN iPhone ?

Interpreters who have their own iPhone and wish to receive All Graduates' interpreter bookings through this system are invited to register with us.
